

Appalachian Ohio DSL Coverage

January, 2002

This map was developed by the **Technology Policy Group** at the **Fisher College of Business, The Ohio State University** for the **Access Appalachia** project sponsored by the **Governor's Office of Appalachia** and the **Appalachian Regional Commission**. This data is harvested from numerous public and private sources and been validated by telecommunications and cable providers representing substantially all service provided through xDSL and cable modems as of January 2003. Data is collected on a standard GIS platform and is available for more detailed analysis.
